6.2.1 You may purchase electronic money by using one of the Upload options available to you depending on your country of residence. You must provide the information requested and pass all identity and security validation and verification checks. For any Upload, you authorize us to obtain or receive funds on your behalf from your chosen payment source, less any applicable Fees, and then issue electronic money to your Account.

6.2.2 Notwithstanding the foregoing, certain Upload options allow you to fund electronic money to your Account by debiting an account at your financial institution. In the event we are advised of insufficient funds in such account, we may re-present such uncleared payment at your financial institution up to two more times. In addition, we may debit the applicable Chargeback fee stated in section 10.1 of these Terms and Conditions and such uncleared payment from your Account, obtain it from your designated financial institution or otherwise collect it from you.

6.2.3 Uploads are subject to fees including currency conversion fees (if applicable). Please see section 8 for further details on fees.

6.2.4. You must not make an Upload from, or a withdrawal to, a payment instrument or bank account if you are not the named account holder. 6.3 Applying for Cards

6.3.1 If you reside in a supported country, you may apply for a Card once your Account has been verified in accordance with section 6.3 .2 below. To find out if you reside in a supported country, please contact the Customer Contact Centre.

6.3.2 In order to apply for a Card, you will need to “verify” your account by confirming your identity and where you live. Details of how to do this can be requested from support@guavapay.com. We may use third parties to obtain this information, which may also contain credit checks, on our behalf. You agree to us applying reasonable discretion in using and sharing relevant personal data to conduct such identity and verification checks.

6.3.3 If you receive a physical Card, you must sign it as soon as you receive it.

6.3.4 We reserve the right to refuse to issue you a Card in our sole discretion.

6.4 Using your Card

6.4.1 Your Card is not a credit card or a charge card. You can only spend to the value of the funds that you have in your Account. You can use your card anywhere it is accepted, however, a virtual Card can only be used where a physical card is not required, for example, Transactions made online or over the phone.

6.4.2 All Transactions made using your Card are subject to:

- there being sufficient funds in your Account;

- the Merchant or financial institution being able to verify that you have sufficient funds available in your Account; and
- where applicable, the terms and conditions of the provider of the ATM or relevant financial institution (in addition to these Terms and Conditions).

6.4.3 We reserve the right to decline any Transaction at our sole discretion including but not limited to circumstances where that Transaction is fraudulent, would be in breach of these Terms and Conditions or any applicable law and regulation or where you have insufficient funds to make the Transaction. We shall not be liable in the event that a Merchant refuses to accept your Card or if we do not authorise a Transaction, or we cancel or suspend use of your Card in accordance with these Terms and Conditions.

6.4.4 You must not spend more money using your Card than you have in your Account. If you cause your Account to go into a negative balance, we will take any such action seriously and take any steps necessary to enforce any actions against you in accordance with these Terms and Conditions.

6.4.5 Merchants such as car hire companies, hotels and other service providers will estimate the total sum of money you may spend or for which you require authorisation. The estimate may be for more than the amount you eventually spend or are charged, for example:

- a. at restaurants You may be required to have a maximum of 20% more on Your Card than the value of the bill to allow for any service charge added by the restaurant;
- b. at “pay at pump” petrol pumps (if applicable) You may be required to have an amount equal to the maximum Transaction value permitted at the pump in Your Card Account.

The merchant will be required to tell you the estimated amount that will be blocked in Your Card Account and seek Your consent.

This means that some of the funds on Your Account may be blocked until the Merchant has settled the actual Transaction amount and accordingly, You will not be able to spend this estimated sum during this period. We will release the blocked funds without undue delay on becoming aware of the amount of the Transaction and in any event will unblock the funds immediately after receipt of the settlement request from the merchant.

6.5 Making Payments to and from your Account

6.5.1 You can make a Payment straight from your Account to a Merchant that accepts payment from a Guavapay account or another Member by completing the information on the “Money Out” page of the Member Site, and, in some cases, you may be able to make a Payment to or from a Merchant, directly from the website of a Merchant.

6.5.2 When making a Payment from your Account, you may not designate an amount in excess of the balance (plus the applicable Fees) in your Account at the time the request is made. If you attempt to do so, your Payment request will be denied.

6.5.3 The amount of any Payment made to your Account will be credited to your Account balance, less any applicable Fees, on receipt. If a Payment credited to your Account is reversed by the sender prior to you performing a Transaction, the amount of the reversed Payment will be returned to the sender and no Fees will be owed by you.

6.5.4 You are fully responsible for any goods or services bought by you that are paid for through your use of the Guavapay Service. Any dispute with a Merchant regarding any product or service bought by you through the Guavapay Service is between you and the Merchant and you agree that we shall not be a party to such dispute. We do not provide any warranties, representations, conditions or guarantees with respect to such goods and services. Guavapay shall not be held liable for consequential, direct, indirect or special losses, damages or equivalent whether directly or indirectly caused by such dispute between You and a Merchant.

6.5.5 Payments are subject to fees including currency conversion fees (if applicable). Please see section 8 for further details on Fees.

6.5.6 If we are late in executing a payment that you instruct us to make you may ask us to contact the recipient's payment service provider and ask them to credit it as if it had been received on the correct day.

6.5.7 We may, if requested by the payment service provider of someone trying to make a payment to you that has executed that payment late, credit it to your Account as if we received it on the correct day.

6.5.8 Transactions are displayed in your online transactions history together with the date of receipt or transmission (the credit or debit value date), the fees charged and, where applicable, any exchange rate used. You should check your Account balance and transaction history regularly. You should report any irregularities or clarify any questions you have as soon as possible by contacting Customer Service.

You agree that by pressing the “agree” button or entering your Account ID Information (or any equivalent button or process whereby you submit the required Transaction information) you are confirming that you are providing consent for the Transaction to be processed and for the relevant Fees to be charged and deducted from your Account. All transactions made using your PIN, your Account ID Information or any other security procedures that we require are deemed to be authorised by you. You also agree that once consent has been provided by you, the authorised Transaction can no longer be revoked. To this extent, the time of receipt of the Transaction request (and therefore the time of consent) is the time when the “agree” button has been pressed (or such equivalent button or process).

6.5.11 You acknowledge that your intended recipient of a Transaction from your Account is not required to accept the Transaction. If an intended recipient declines a Transaction from your Account, your Account will be re-credited with the amount of the Transaction and no Fees will be charged.

6.5.12 If you receive funds into your Account that were not intended to be transferred to you, we will be entitled to remove these funds from your Account.

6.5.13 You must ensure that the payment details you enter when making a Withdrawal are correct and complete. We will not be liable for withdrawn funds being sent to the wrong account where this is due to you providing incorrect payment details. When withdrawing to a bank account, you must ensure that the account number, sort code, IBAN and/or BIC/SWIFT are correct. If you have withdrawn funds to the wrong account, you may request that we assist you in reclaiming the funds. Otherwise, you may not Chargeback any Upload or allow Chargeback of any Upload for reasons for which we are not responsible including (but not limited to) disputes with merchants for non-delivery of goods or services or insufficient balance on the payment method account. We reserve the right to charge you fees and expenses we incur in connection with such Chargeback and any action undertaken to challenge the same. We may also charge you a Chargeback fee of 25 GBP.

10.2 Without limiting our rights or remedies, if you do charge back, cancel, reverse or de-authorise a payment in such circumstances, you are responsible for refunding the payment to us. We may, at our discretion, recover the amount by reducing your Account balance, re-charging your credit card or bank account for the amount or otherwise collecting such amount from you.

10.3 If a negative balance is created in your Account (e.g. due to a chargeback, reversal of an Upload, or a Transaction is processed for a larger amount than the amount of available funds in your Account) or if you cause your Account to go into a negative balance for any other reason, you will be required to repay such negative balance by uploading sufficient funds into your Account to bring it back to at least a zero balance. Your failure to do so is a breach of these Terms and Conditions. You agree to pay us the outstanding amount immediately on demand. We reserve the right to automatically debit such outstanding amount from any Uploads you subsequently make to your Account. We shall be entitled to charge you for any reasonable expenses we incur as a result of any negative balance on your Account.

10.4 We reserve the right, at any time, to send you reminders or to take other debt collection measures including but not limited to mandating a debt collection agency or solicitors or to pursue the claim in court. We reserve the right to charge you the expenses we reasonably incur in connection with any such debt collection or enforcement efforts. This provision shall survive termination of the relationship between you and us.

10.5 If you receive a refund for purchases made with your Card, the refund will be paid to your Account. For legal reasons, you are not entitled to receive refunds in cash for Transactions made using your Card. Refunds may take up to 30 days to process.

10.6 Once you have used the Guavapay Service to make a purchase, we are unable to stop that Transaction. However, where you have used your Card to buy goods or services you may have a claim against the Merchant if the goods or services are unsatisfactory, not supplied, supplied only in part or do not match the supplier's description. You must notify us of any dispute within 60 days of the purchase and the chargeback will only be applied to your account if successfully secured from the Merchant through the relevant payment services. The said payment services and not us will determine who will win the chargeback. If you wrongly make a chargeback claim, we will be entitled to charge you any fees we reasonably incur in pursuing the chargeback claim and we will be entitled to debit your Account with the amount of any such fees.

11. REWARD OR PROMOTIONAL PROGRAMS

From time to time, we may offer reward programs or other promotional programs. Such programs will be subject to the program rules. We reserve the right to cancel or amend the terms of any such reward or promotional program at our discretion.

13. KEEPING YOUR ACCOUNT AND CARD SAFE

13.1 It is your responsibility to keep your Card safe; your Card is personal to you and you must not give it to anyone else to use. You must take all reasonable precautions to keep your Account Identifier ('ID') information confidential and secure. This includes ensuring the ongoing security of your Account ID Information and your personal computer device for accessing the Internet. You are required to change your password regularly and to use up to date virus, malware and spyware scanning software and firewall protection to reduce the risk of a security breach.

It is your responsibility to keep your login and password safe and you must not give it to anyone else to use.

13.2 You will receive a Personal Identification Number ('PIN') for your physical Card and you must keep your PIN safe. This means that when you receive your PIN you must memorise it and destroy or keep confidential the letter containing details of the PIN. You must keep your PIN secret at all times. You must not disclose your PIN to anyone including friends, family, us or any Merchant. You must not write down your PIN anywhere. You must not use your PIN if someone else can see you typing it in. You must comply with the security procedures we tell you about from time to time.

13.3 If you suspect that someone else knows your Account ID information, login/password or either it or your Card has been lost, stolen, misappropriated, used without authorisation or otherwise compromised you are advised to change your password. You must contact the Customer Contact Centre without undue delay on becoming aware of any loss, theft, misappropriation or unauthorised use of your Card or Account ID information. Any undue delay in notifying us may not only affect the security of your Account but may result in you being liable for any losses as a result where your failure to notify us is intentional or grossly negligent. If you suspect that your Account was accessed by someone else, you should also contact the relevant authorities such as the police and report the incident. If you forget your PIN you can retrieve the details by logging into your Account. It is important you keep your Account details safe and secure as it provides access to your virtual cards and physical Card PINs. If you forgot your Account details, you will be able to recover them from the system.

13.4 We may suspend your Card and / or your Account or otherwise restrict its functionality on reasonable grounds relating to the security of the Card or the Account or any of their security features or if we reasonably suspect that an unauthorised or fraudulent use of your Card or Account has occurred or that any of its security features have been compromised. We will notify you of any suspension or restriction and of the reasons for such suspension or restriction in advance or, where we are unable to do so, immediately after the suspension or restriction has been imposed, unless notifying you would be unlawful or compromise our reasonable security interests. We will lift the suspension and/or the restriction as soon as practicable after the reasons for the suspension and/or restriction have ceased to exist, and/or after you provided enough comfort.

13.5 If we think your Card or your Account is at risk of fraud or a security threat, we will use the fastest and most secure way of contacting you using the details you have provided to share our guidance as per the next steps to follow to mitigate such risk.

If you are in doubt as to the legality of a supply or purchase, you should not continue with your payment.

15. PRIVACY

15.1 You explicitly consent to us accessing, processing, and retaining any information you provide to us, for the purposes of providing payment services to you. 16.2 You can cancel your Card by notifying our Customer Contact Centre. You will be responsible for any Transactions you have made or charges incurred before you cancelled your Card. Cancellation of your Card will not automatically close your Account unless (i) you instruct us to also close your Account; or (ii) you are cancelling due to a change to these Terms and Conditions.

16.3 We reserve the right to terminate these Terms and Conditions and thereby cancel your Card and close your Account by giving you two (2) months' prior notice. 16.5 Subject to section 16.6, if we close your Account, we will notify you before doing so, either by email or by letter according to the most recent contact address that you have provided and return to you any unrestricted or undisputed funds in your Account (being funds not involved or otherwise connected with the circumstance giving rise to the limitation or closure) in accordance with your instructions.

16.6 In certain circumstances, we may be prohibited from notifying you that your Account has been suspended or closed. In such circumstances, we will endeavour to inform you as soon as we are able. Where an Account is suspended, we may, at our discretion, lift the suspension provided we are satisfied that the circumstances giving rise to the suspension no longer exist.

16.7 If there is a positive balance in your Account at the time your Account is closed for any reason, these will be returned to you by the method you instruct (less the normal applicable Fees) provided the funds are not subject to any restriction.

17. FRAUD PREVENTION

Guavapay takes fraud very seriously and will always endeavour to mitigate the risk of fraud to the best of its capabilities.

You are made aware that criminals are experts at impersonating people, organisations and various authorities, including the police. This could be done online, via email or through telephone calls. Guavapay would like to highlight some of the ways You can avoid becoming victim of frauds.

17.1 Steps taken by Guavapay to protect You

Checks on Transactions in and out of your Account is part of Guavapay's prevention measures.

Guavapay may take whatever action is considered appropriate to meet any of its obligations, either in the UK or elsewhere in the world relating to the prevention of fraud, crime, money laundering or terrorist activity and to the provision of financial and other services to persons who may be subject to sanctions.

This may include, but is not limited to, investigating and intercepting Payments in and out of your Account and investigating the intended payer or payee or source of funds. Checks to identify and verify identities of Account holders and connected persons, as well as screens for financial embargoes or other sanctions are also part of Guavapay's fraud prevention process. Additionally, cards activities are closely monitored.

Carrying out the verifications mentioned above may delay the processing of payment instructions or the receipt of cleared funds, but where practicable and permitted, You shall be advised of the reasons for any delay and shall be kept updated.

Guavapay may decline to process a Transaction into or from your Account, where it is reasonably believed that such Transaction is unlawful.

In circumstances where a payment is made into an Account and Guavapay, the paying Bank or a banking partner know or suspect that it was made fraudulently or as a result of fraud, Guavapay may:

- i. refuse to process the Transaction relation to the recipient Account, including an instruction by You to pay the money away from your Account; and/or
- ii. take the money back out of your Account without asking You and pay it back to the sender, paying bank or relevant banking partner.

Without prejudice to the generality of clause 18, Guavapay shall not be responsible to You or any third party for any loss, expense, costs, damage or other liability suffered as a result of any delay to or rejection of the processing of a Transaction further to Guavapay's fraud prevention measures set out above, or as a result of the payment back of any money known or suspected to have been paid in an Account fraudulently or as a result of a fraud.

17.2 What You can do to protect yourself

- keep your devices updated with current anti-virus software, latest browser versions and relevant security patches and updates;

- stay alert – fraudsters may make contact pretending to be from Guavapay, a bank, the police or another trusted organisation and ask You to transfer money to another account or to disclose personal confidential information. A genuine organization will never make contact with such requests;
- be aware of phishing emails or texts, and specifically not to open any links or attachments within them; and of emails or text messages claiming to be from a person at Guavapay asking for private information or asking to make a payment. If such unexpected email or text message is received from Guavapay, notification of the same should be made either by email at support@guavapay.com or by phone by calling the Customer Contact Center on +442045773333

18.7. Without prejudice to the foregoing, you are asked to check the transactions history of your Account regularly and frequently and to contact the Customer Contact Centre immediately in case you have any questions or concerns.

18.8. In the case of any incorrect or misdirected payment, we shall take reasonable measures to assist you with tracing and recovering such payments.

18.9. Subject to the foregoing, we shall not be liable for any disruption or impairment of our service or for disruptions or impairments of intermediary services on which we rely for the performance of our obligations hereunder, provided that such disruption or impairment is due to abnormal and unforeseeable circumstances beyond our reasonable control or the control of the intermediary affected.
